

BACK 2 WELLNESS CHIROPRACTIC

Michael C Bank, DC

In this day of big-box medical practices, the patients of Back 2 Wellness Chiropractic are enjoying know-you-by-name care at a family-owned and operated chiropractic practice that's also on the leading edge of chiropractic science. "I'm blessed to work with my wife, two sisters-in-law, and a staff that's become like family to us," Dr. Bank said. "They make the office very warm and welcoming and take the same obsessive approach I do to making sure our patients get well and enjoy an amazing chiropractic experience."

With a special interest in sports medicine, Dr. Bank places an emphasis on patient empowerment and education. "I have an extensive medical background based in sports medicine earning a bachelors and master's degree, as well as my doctorate in chiropractic," he said. "I also earned a post graduate certification in brain traumatology and whiplash injuries from the Spine Research Institute of San Diego."

Michael began his career as a school athletic trainer working alongside the team doctor who was a chiropractor. "He invited me work with him over the summer," Dr. Bank said. "I saw people come in hurt and leave happy. But it wasn't until I got injured myself, separating a rib from my spine which caused excruciating pain, that I had my first adjustment. Feeling the relief it gave me, I knew chiropractic is what I wanted to do for a living. I just want to do everything humanly possible to make my patients feel better and live life to the fullest. And I'm blessed with a team who shares that vision."

At your first visit to Back 2 Wellness Chiropractic, Dr. Bank will explain the science behind chiropractic care and give you a full evaluation to see if chiropractic care is right for you. From there, he will develop a plan of chiropractic care specific to your condition and your health goals.

BY MEREDITH KNIGHT

"Dr Bank has saved my quality of life! I was involved in two car accidents and go back for regular maintenance. When I waited too long between visits, I was unable to walk, and he worked me in. Within two visits I was back to normal."

Dominique G

"Dr. Bank went over everything, explaining in detail what was going to happen and the results I could expect. All I have to say is WOW! the results were BETTER than ANY Chiro I've ever seen."

Darin M

"Dr. Bank is always able to help me find relief and feel better. I drive 45 minutes to see him because he is so good."

Country C

When not on the job, Dr. Bank enjoys working out, spending time with his family, and volunteering as a YMCA coach. If you're new to chiropractic and want to learn more, please call Back 2 Wellness at (817) 453-9339 to receive personalized answers to your questions from their friendly team.
